

# 1120309-13 Formation 2

嘉大附小表演藝術雙語教學

陳佳萍 李婉容

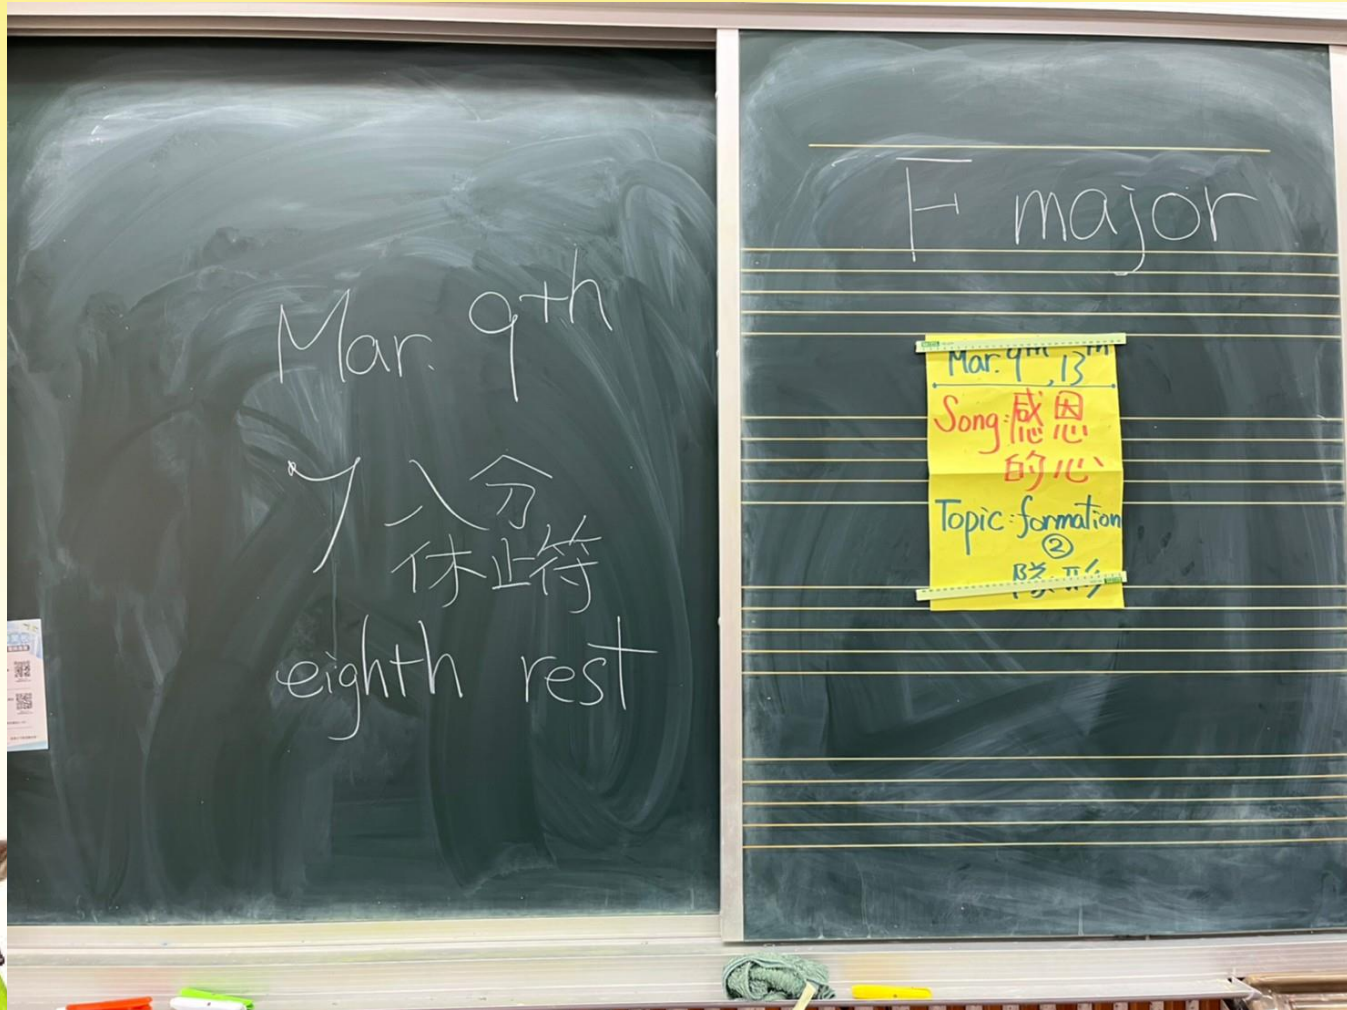

# Introduction

- Today we are going to learn Formations again.
- What did we learn last week?
- we learned four formations last week.
- Clumping, columns, a single line and levels are the four formations.
- Now let's watch the video and find these formations.
- [https://www.youtube.com/watch?v=O7XuJaF7\\_C4](https://www.youtube.com/watch?v=O7XuJaF7_C4) 女團跳舞變化隊形
- Please write down your answer when the video is stopped.
- Now we are going to practice these formations together. Please walk and stop in clumping and a single line.
- Let's do the levels in turn.
- Please design four formations with the music Mojito.

# Watch the video

# Write down the formations

# Six questions

1 層次 levels	3 層次 levels + 單線 a single	5 柱形 columns
2. 聚集 clumping	4 柱形 columns + 層次 levels	6 聚集 clumping 層次 levels
		6424

# Clumping

# Imitate and levels

# Teamwork

# Feedback

- The students like to imitate and take turn in the levels learning. They can make the formation and the others have to copy with the music.
- After the two classes, most students know how to make formations in dancing.
