Introduction

- Today we are going to learn Formation.
- What is a formation on the stage?
- Let's watch the video to learn about it.
- <https://www.youtube.com/watch?v=UVnZNm8OVxY>
- What formations are there in the video?
- We are going to learn four formations.
- They are Clumping, Columns, A Single Line and Levels.
- Now let's learn them together.
- Formation 1 is clumping. Please walk freely and stop in clumping.
- Well done.
- Please walk freely and stop in columns.
- Good job.
- Please walk freely and stop in a single line.
- Now please stand up and bend down in levels.
- You are so great.

Feedback

- Students are a little shy to do the formations. We have to try another way for them to show and perform.
- The video is good for student to learn different formations. They speak too fast, so we slow down the video. Thanks to the development of technology.
