Papercutting Theater

嘉大附小雙語表演藝術
陳佳萍 李婉容

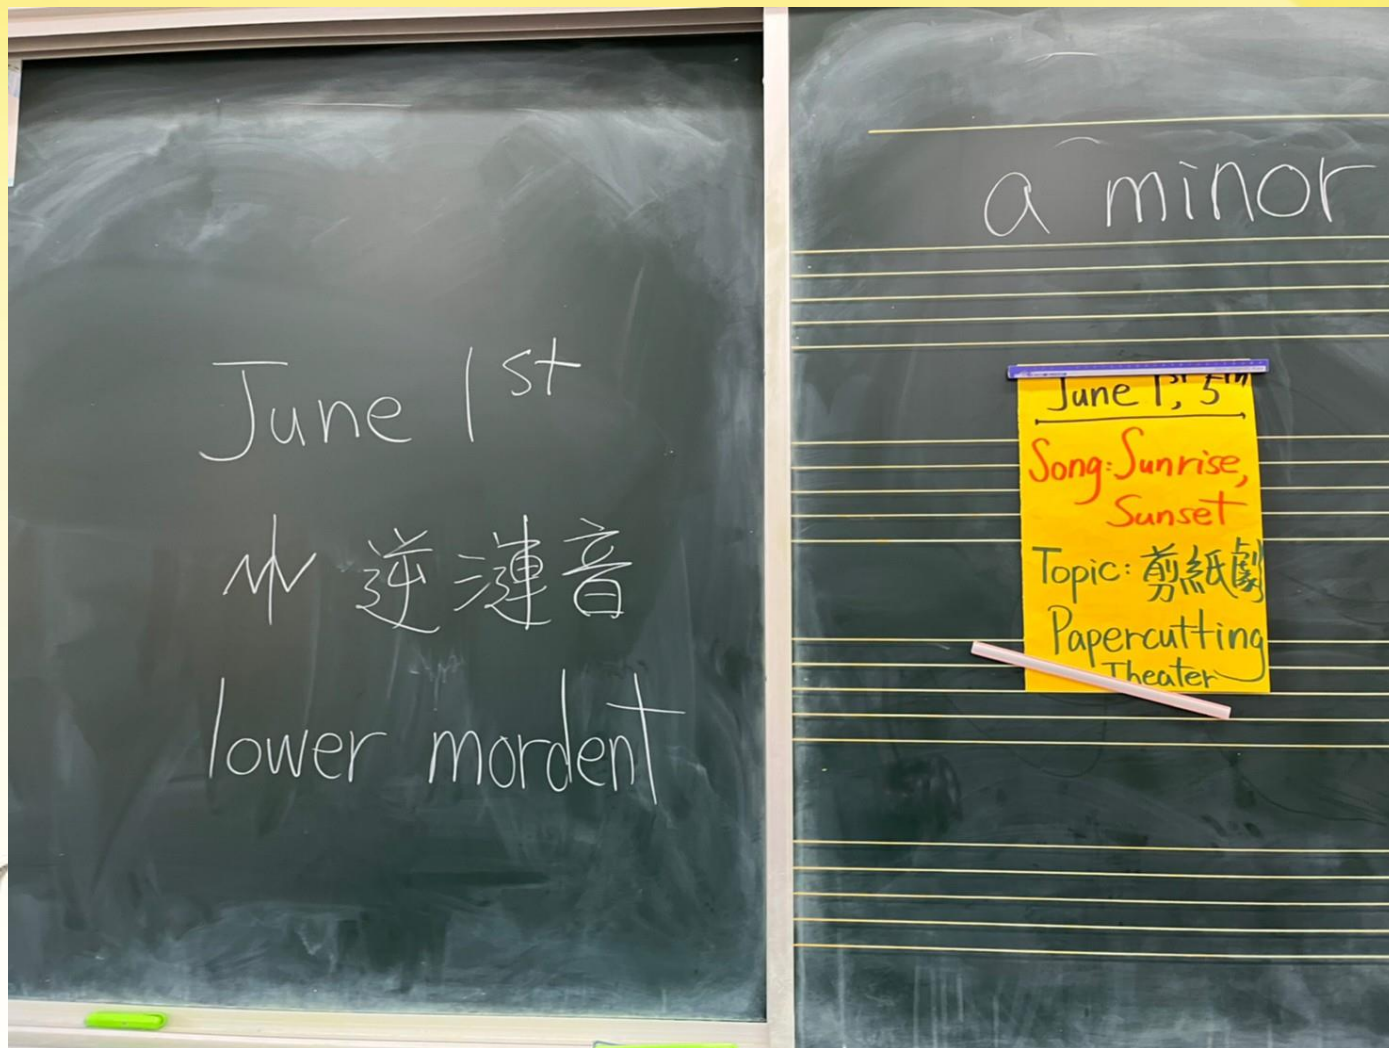

Introduction

- Today we are going to learn Paper cutting Theater.
- Let's watch the video to learn more about paper cutting.
- Now please work in groups.
- Fold the paper, draw some lines and cut.
- Use these pieces of cutting paper to make a story.
- Remember the four steps of a story: who/ what/ but/ finally.
- Do your best.

Quiz work

Work in groups.

Paper cutting

4 parts of a story

The 4 Little ^{hearts} stars

① One day 4 little stars was sick of home. "We want to go out," they said, and went out to play.

② They found a pink little house. "This is so pretty!" They said and lived in there.

③ They found they house very uncomfy, so they went to the green house. They found the house uncomfy too. They went to the light blue house and found it uncomfy too.

④ ~~Finally~~ Finally, they went home. "They said together: "East or west, home is best!"

Feedback

- The students like to cut paper, some of them do this art work never. It's novel for some students.
- In order to remember the information in the video, we have quiz time, and most of the students do their best.
- It is a little difficult to complete a story in a short time.
