Rehearsal

A green leaf is positioned in the top left corner. Below it, a rectangular stamp with a double border contains the words "GO GREEN" in a bold, black, sans-serif font. The background is a light brown wooden surface with visible grain and a knot hole.

Introduction

- Today we are going to practice the International Show.
- Please do the cat walk first, then introduce the country that you perform. Finally, play the music or dance together.
- When other groups are practicing, all the students play recorder together.
- Be confident, be brave.
- Do your best.

A decorative vertical strip on the left side of the slide. It features a wooden background with a green clover leaf in the upper left corner. Below the leaf, the word 'GO' is written in a stylized, bold font on a rectangular sign. A dark circular object, possibly a coin or a button, is visible in the lower right of the strip.

Feedback

- The students are a little shy to walk on the carpet. Some students say that is the first time to do this.
- Although their music is simple and easier, but it is a good way for students to show in a large place.
