

1120912-13 Vocal Percussion for Alishan

嘉大附小音樂雙語

陳佳萍

何文琳

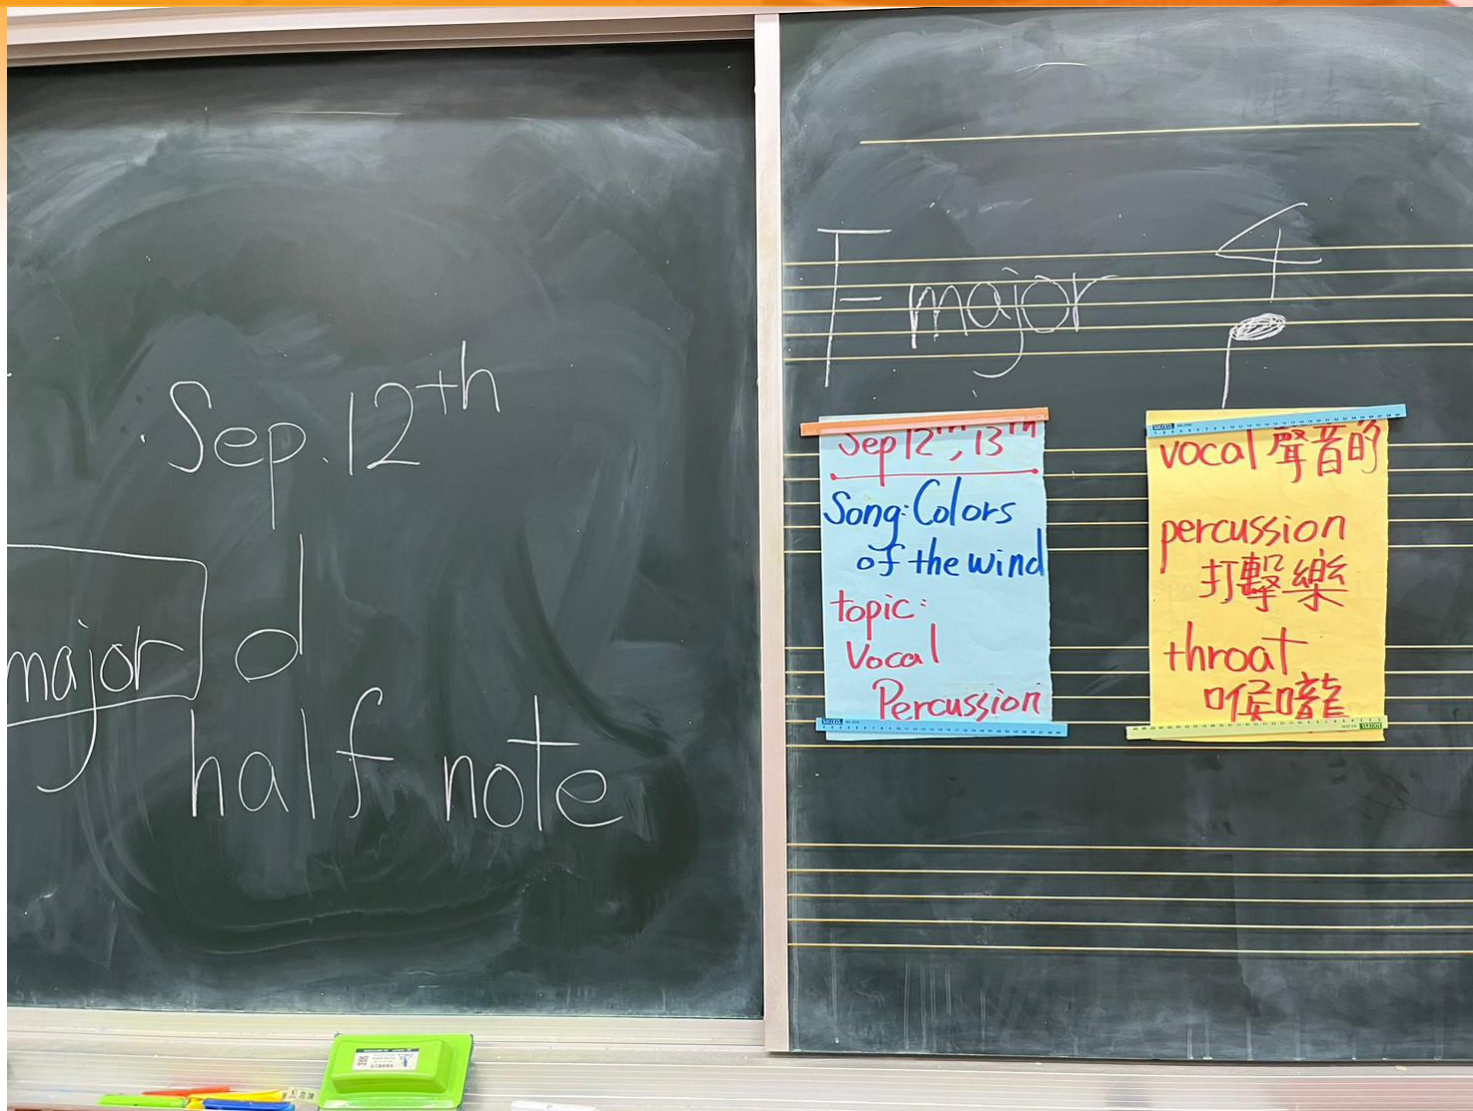

Introduction

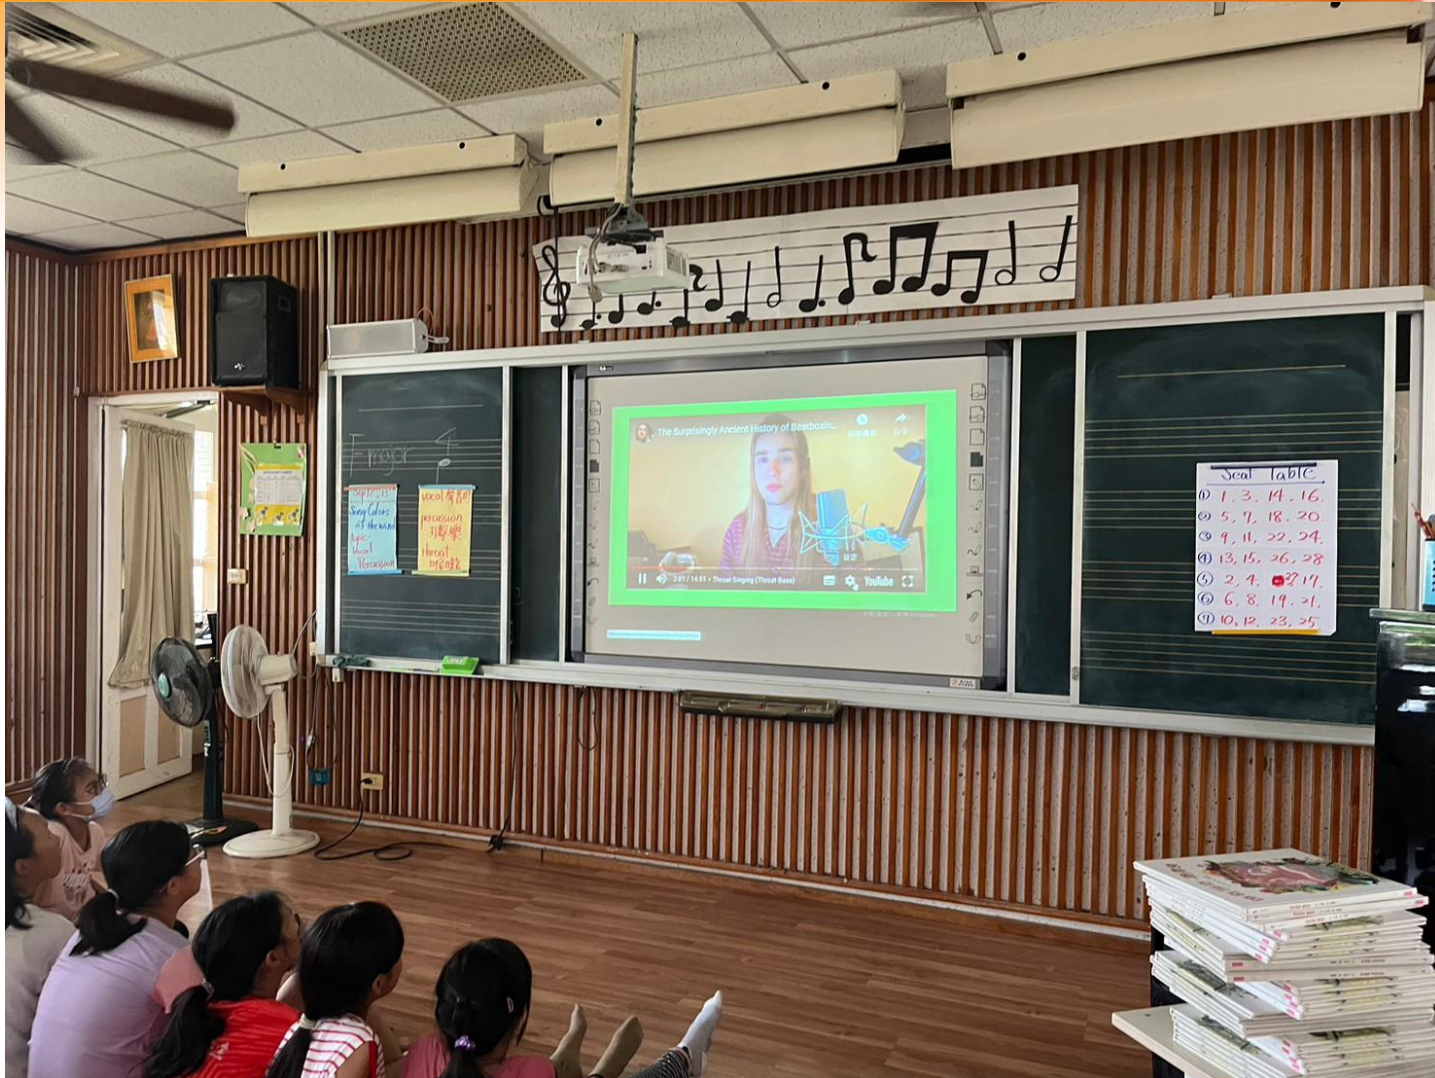

- Today we are going to learn Vocal Percussion.
- What is Vocal Percussion?
- Use your voices as percussion instruments.
- Where is vocal percussion started?
- Let's watch the video.
- Which places did you see in the video?
- Mongolia, North America, North Europe and Africa.
- Now we are going to make vocal percussion for Alishan.
- Please read the picture book.
- Choose one page.
- Design two vocal percussions.
- One vocal percussion goes first in four times, than the other joins.
- Work in groups, please. Show time and be good audience.

Feedback

- Students that practice two times in all class is good for them to know how to design vocal percussion.
- Some students can make 4 vocal percussions and perform well.
- In order to perform well, we borrow 4 microphones for students to show on the stage.
