Introduction

- Did you remember last year the grade 6 students costuming?
- This year is our turn.
- Please look at the slides, know the task together.
- How many countries are we going to show? 25.
- How many continents are there? 5.
- What continents are they? Asia, Europe, Africa, Central South America and Oceania.
- What do we have to do? Cat walk, dress, make posters, do body painting and play music(or dance) .
- Let's watch two videos that showed by the elder grade 6 students.
- Now it's your turn, after the team members chosen by computer, please discuss together. You can use tablets to search the information of your showing country.

Feedback

- The students searching on the internet for their showing countries are suitable for them to have good ideas about the dressing.
- Some students also choose the music they will play together, they are so good.
