

1121030 Formation 1

嘉大附小表演藝術雙語教學

陳佳萍 何明錦 李婉容

Introduction

- Today we are going to learn “Formation”.
- Please watch the video.
- <https://www.youtube.com/watch?v=UVnZNm8OVxY>
- What formations did you find?
- Clumping, columns, a single line and levels.
- Now let’s listen to the song “Dreamers”.
- How many times do you hear about “ ala hu la dan”?
- Three times.
- When you listen the periods, please change your formations.
- Now boys in odd numbers sit here, evens sit there.
- Girls in in odd numbers sit here, evens sit there.
- Please work together, remember to change your formations.

Feedback

- In order to help the students similar to the song “Dreamers”, we design the formation learning for students.
- Most of the students can design three formations for their dancing. after the dancing, they can speak out their formations just like triangle(clumping), single line and levels.
