1141007 Round

Introduction

- Today we are going to learn round.
- What is round?
- 同一個旋律，不同時間開始演唱，形成多個聲部的效果。
- Now let's watch the video.
- Who sings first is the leader, who sings later is the follower.
- The leader stops singing first, then the follower stops.
- Now let's listen to another video.
- Now let's try sing the song "Are you sleeping".
- Let's try to sing round.
- Listen carefully to others singing.

Feedback

- It is easy to play canon, but it is difficult to sing round.
- Some students can sing the melody well.
- It's a good way for students to learn to listen to other people's singing.
