

1121003-04 Alishan music kahoot

嘉大附小音樂雙語
陳佳萍 何文琳

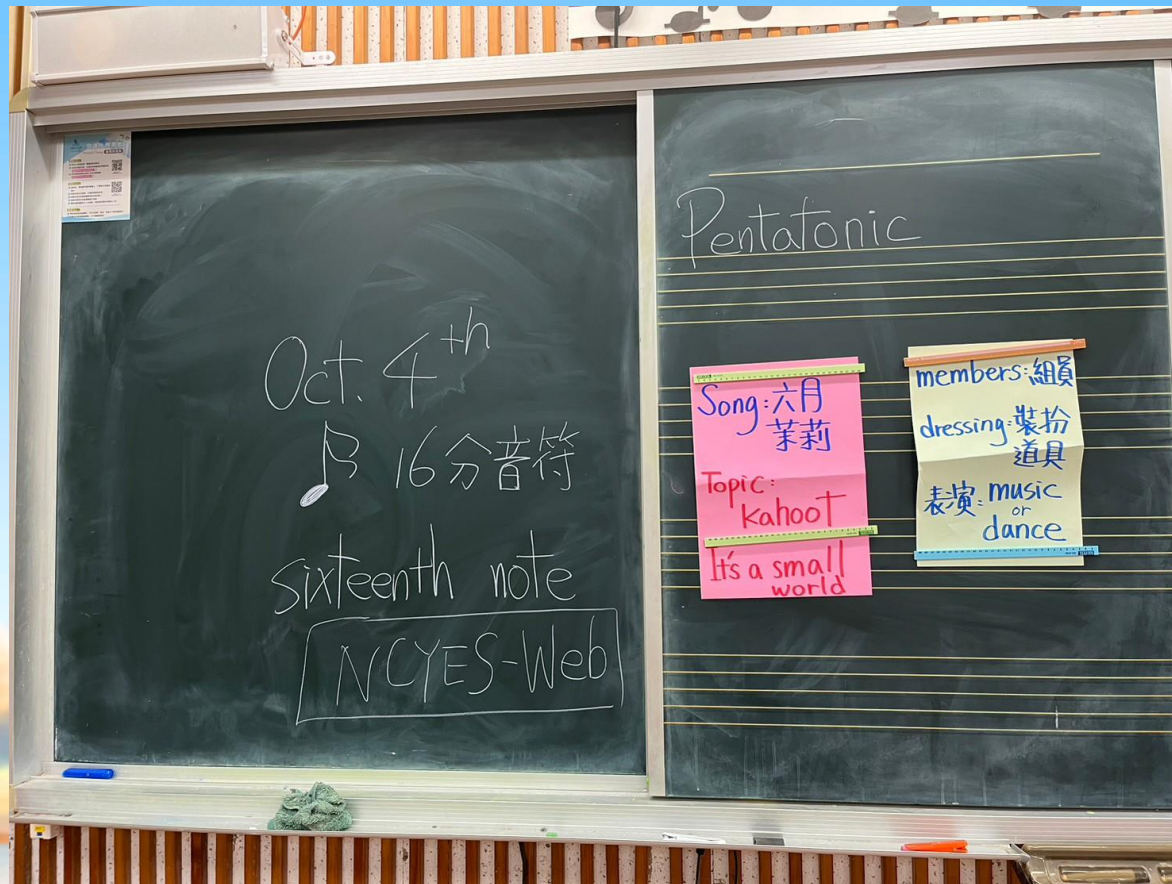

Introduction

- Today we are going to check your learning.
- We will check in Kahoot.
- Have you ever played it?
- Please take the tablets.
- Please search in Kahoot, press the pin number.
- Then press your class and seat number as the nickname.
- In music kahoot, please remember to listen first. Teacher will play the song for you. Then choose what the song is.
- Do your best.

Practice ostinato

The image shows a chalkboard divided into two sections. The left section features two small white cards with musical notes on a green background, and the word "Ostinato" written in white chalk. The right section has a "Seat Table" with seven rows of numbers and some handwritten musical notation below it.

Ostinato

Seat Table

- ① 1, 3, 14, 16.

Feedback

- Students like to play Kahoot, in the test, English is easier for them, music and cultures are a little difficult for them.
- We are going to have new topics of International show, the students will learn some international songs. We do ostinato with “It’s a Little World” together. It’s very difficult for them.
