

1150224 Paper Folding Theater

嘉大附小雙語表演藝術

陳佳萍 陳惠瑜

Introduction

- Today we are going to learn Paper Folding Theater.
- What is Paper folding theater?
- Fold paper and make a story with them.
- Now please read the example.
- There is a swan. She likes to play with fish. A monkey is jealous of their friendship. Finally, the monkey turns into a hippo. Now he can play with them.
- Please work in your team.
- Everyone folds the paper.
- Use your folding items to make a story.
- Show on the stage.
- Remember let your items moving when the story is going on.

Origami Hippo Paper Craft

Finally he turned into a hippo then he can play with them.

The screen displays a blue background with the text 'Origami Hippo Paper Craft' and an illustration of a yellow hippo. Below the text, it says 'Finally he turned into a hippo then he can play with them.' There are also small images of various origami figures and a red star-like shape.

Feedback

- Students like to play paper folding.
- It's not easy for students to make a story in a short time. When they play on the stage, teacher has to help them extending their story.
