## It's Christmas Time

Here it comes again  
My favourite time of year  
Snow is falling down  
Lots of \_\_\_\_\_ cheer  
Starry nights, Christmas lights  
Gather around the \_\_\_\_\_

Get the candy canes  
and the pumpkin pie  
Hang the \_\_\_\_\_ up by the fireside  
Starry nights, Christmas lights  
Hear the sleigh bell ring

Step into Christmas time  
And put your hands up high  
Everyone around

Loves the Christmas sound  
So sing it loud

It's Christmas time!  
All over the world  
So get up, get up  
It's Christmas time!  
All over the world

We're gonna \_\_\_\_\_  
and we won't stop

All throughout the town  
Laughter fills the air  
Joy is all around  
\_\_\_\_\_ everywhere

Hear the sound of the drummer boy  
drumming now
